- Discussed Broadband application process. Guidelines should be available toward end of June. Awards will not be announced until December 2009. The State will create its application process once the guidelines are released. There is an advantage to being part of the State's application.
- The Committee discussed its funding recommendations. In order by funding amount, the committee recommended:
  - 1) Green technology/green jobs revolving loan fund.
  - 2) Support for non-profits seeking energy efficiency improvements to their buildings
  - 3) Installing energy efficient street lighting
  - 4) Synchronizing traffic signals
  - 5) Support for one big project – Science Center green roof or Conn Center for Renewable Energy start-up assistance
  - 6) Improving energy efficiency in government buildings
- Next meeting date is to be announced
